PART II. TEACHING (50% Geography Dept. workload; 50% Bren School workload. 50% Administrative teaching release throughout the review period.)

Workload Descriptions

1. *Geography Department*: Geography department teaching workload for full-time ladder faculty is 3 Instructional Workload Courses (IWC) per year. 50% workload is 1.5 IWC per year.

2. *Bren School*: The official teaching workload in the Bren School for full-time ladder faculty members is 3.5 Instructional Workload Courses (IWC) per academic year. Full-time faculty are expected to be in residence during the academic year and teach at least two out of three quarters unless they are on sabbatical or approved leave. Each quarter on sabbatical counts as 1.17 IWC for full-time faculty. The teaching workload for faculty with partial appointments is the equivalent fraction of 3.5 and the teaching workload is negotiated with the dean. 50% workload is 1.75 IWC per year.

   Every full-time faculty member will advise or co-advise a Master's Group Project (ESM 401 series) or Eco-E Project (ESM 402 series) equivalent to 1 IWC. Faculty advisors are expected to meet with master's groups weekly during the academic year.

   Course Equivalencies:

   - ESM 401A/ESM 402A: 4 units = 0.29 IWC
   - ESM 401B/ESM 402B: 4 units = 0.29 IWC
   - ESM 401C/ESM 402C: 4 units = 0.29 IWC
   - ESM 401D/ESM 402D: 2 units = 0.13 IWC

   Every full-time faculty member will teach and/or co-teach core courses, elective courses and seminars in the MESM and PhD programs equivalent to at least (a) 2.5 IWC in addition to advising a project or (b) 3.5 IWC if not advising a project.

   Course Equivalencies:

   - MESM core and elective courses: 4 units = 1 IWC; 2 units = 0.5 IWC.
   - Co-taught 4-unit MESM core course = 0.6 IWC per instructor.
   - Co-taught 4-unit MESM elective course = 0.5 IWC per instructor.
   - MESM lab course: 4 or 5 units = 1 IWC.
   - Teaching an additional section (e.g., ESM 263) = 0.67 IWC.
   - PhD core courses: ESM 510 (1 unit) = 0.25 IWC; ESM 512 (2 units) = 0.5 IWC; ESM 514 (4 units) = co-taught at 1 IWC per instructor.

- PhD seminar course: 2 units = 0.5 IWC; 4 units = 1 IWC.

3. *ERI Directorship IWC Workload Credit:* The ERI directorship is for a 5-year term with annual reappointment. The appointment comes with a 50% teaching load reduction. Therefore, my four-year annual required teaching load in Geography is 1-0-1-1 (an average of 0.75 IWC per year), and in Bren it would be 1-0.5-1-1 (an average of 0.875 IWC per year).

4. *IWC Workload Balance:* Overall, the combination of my joint appointments and ERI directorship establish my annual teaching requirements at 1.625 IWC per year. Since my initial appointment, my total IWC balance in Geography is a surplus of 0.25 IWC relative to my total requirements and my total IWC balance in the Bren School is a surplus of 2.71 IWC. Overall, the balance of my IWC teaching surplus at UCSB is 2.96 IWC.
